# Aurum

A coleção outono/inverno 2025 apresenta uma riqueza natural com cores terrosas que reforçam nossa conexão com a natureza.

A paleta combina tons quentes de pigmentos naturais, meios-tons ricos, neutros acessíveis e verdes universais, resultando em elegância e praticidade. Refletindo o consumo consciente, as cores são divertidas, funcionais, adaptáveis e atemporais, despertando a autoconfiança.

A coleção Aurum equilibra o novo, com cores atemporais, funcionais e adaptáveis, perfeitas para o estilo de vida híbrido. Proporcionando uma base cromática forte com toques lúdicos e energizantes.

# METALIZADO

Nas últimas temporadas o prateado dominou a moda jovem. Nesta temporada traz tonalidades mais escuras, com um ar mais maduro para a tendência. Enquanto isso, o tradicional dourado está de volta, especialmente para quem prefere um estilo mais clássico.

# NEUTROS

O cinza e o marrom continuam sendo clássicos fashionista, refletindo a busca por peças mais expressivas e contemporâneas. Ao mesmo tempo, o branco, nude e off-white surge como uma alternativa leve e luxuosa para quem busca um visual elegante e sofisticado durante a temporada de out./ inv. 2025.

# ESCUROS

Após o impacto dos tons de pedras preciosas, os tons escuros são os responsáveis pela riqueza e sofisticação. Clássicos como o azul-marinho e o verde oliva Surgem agora com uma dose de luxo, elevando a sofisticação para as peças.

Ao mesmo tempo, Cherry Red traz uma intensidade apaixonada para a paleta, adicionando profundidade sem perder sua versatilidade atemporal.
